BECOME AN
OEC-APPROVED TRAINER

Interested in supporting early care and education settings with training, coaching, or consultation? Build your skills in design and delivery of professional learning experiences, train on OEC-approved content, and engage with other trainers to learn from each other.

Visit our website for more information

Check to see if you meet the eligibility criteria and learn how to meet the eligibility criteria if you don't yet meet one or more.

Check off your current eligibility

Seek your eligibility path

☐ I have an associate degree or higher AND 12 early childhood credits – all verified through the OEC Registry at oecregistry.org

Already have a verified degree at any level but need ECE credits? Take courses with this content* from any regionally accredited institution. You can take these courses at any level, regardless of your degree level. OEC Scholarship is not available for trainer approval purposes.

☐ I have 3 credits from an Adult Learning course OR my documentation of completing the Adult Learning 1, 2 and 3 modules currently on file in the Registry as the modules are no longer available

OEC accepts Adult Learning courses from any regionally accredited institution. Looking for an Adult Learning course for free? Contact Allison.Batson@ctstate.edu for a CT State option.

☐ I have a ProTraxx account to access OEC's course catalogue AND I completed the OEC Technical Assistance Provider Orientation course

Access the ProTraxx TA Provider Orientation Course to log in if you already have an account or create an account from this same link and enroll in the course. See the OEC website for more information about ProTraxx.

☐ I have a current resume I can upload to the Registry

Upload a current resume: In your Registry account, go to Registry files by going to Standard Documents › Technical Assistant Providers Only: Resume.

☆ **SUCCESS! If you completed all the boxes you can apply for approval by logging into your Registry account, and going to My Role Applications › Technical Assistance Provider**

*Course competencies

- Introduction to Early Childhood Education
- Child Development

- Health, Safety, and Nutrition (content combined into one ECE-specific course)
- Child, Family, and Community

Check out our CT higher education institutions for enrollment options: CT State or Charter Oak State College
